133 E California Ave
Ridgecrest CA 93555-4101

Dear Doctor Ahn:

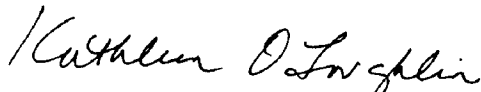

Congratulations! We would like to welcome you to life membership in the American Dental Association for the 2017 membership year.

Life membership is a special status that recognizes a member's many years of support and commitment to the high standards of the dental profession and to organized dentistry. This is our small way of saying how much we appreciate your years of service to the profession and to your patients.

On behalf of the Board of Trustees and all your colleagues, we would like to say thank you for all your contributions. We also urge you to remain active. Please continue to share your knowledge with your newer colleagues. There is no substitute for experience.

When you receive your life member pin, please wear it with pride. It reflects your many years of work to improve the health of your community and the health of this country. Thank you for being a part of this great profession.

Sincerely,

Kathleen O'Loughlin, D.M.D., M.P.H.
